We are very lucky to be part of a busy community and they have put on some great activities for the coronation weekend. We hope you will support the events. More details can be found on the Llanymynech or church Facebook page.

I am sure the children have had lots of fun celebrating the coronation in school as well, but this took place too late for this week's newsletter so photos to follow next week. We hope they will treasure their mug and lion for many years to come.

The children were introduced to their guiding question for this term - Which King had a Magnificent story? The children spent time brainstorming what they knew and any questions they have which teachers will use to support their planning. Teachers will be asking to meet you between now and the end of term to discuss the third interaction report. This will be their final report of this school year.

Book sale

Thursday 18th May
3.15pm

Secondhand book sale to raise money for new books in school.

A big THANK YOU from the Charities Committee and Breakfast Club for your support for their special breakfast this week. It was a very busy morning but everybody enjoyed it, and we raised £140.

Reminder - Dragon Bags 2 School collection on Wed 10th May. A good excuse to have a sort out of clothes, shoes, bags etc. over the weekend! We have plenty of spare bags available in reception. The more bags we send off, the more money we can raise for school ☺

This is different to free school meals for all Reception. If entitled, further grants are given to school and to Parents to support the child through school.

The PTA raffle tickets to win the Coronation Teddy will still be available to buy at the village Coronation celebration this weekend. £1 per ticket – winner will be drawn at the celebration. If you made a payment on Parentmail, the tickets have been sent home today.
